## MUSICAL EQUIPMENT ON PUBLIC PASSENGER VEHICLES

The Transport Authority is advising commuters that it is illegal for public passenger vehicles to have radios, DVD's, CD's and video players or other audio-visual equipment being played therein.

Let us work together to create a dignified public transportation system. If you are aware of an operator who is in breach of the provision, call us toll free at **1-888-991-5687** and report the licence plate number and route of these vehicles.

You can also contact us on **618-0959** or email us at **customerservice@ta.org.jm**.
