

NOTICE OF FARE INCREASE – AUGUST 2021

Effective August 16, 2021, **all fares for Route Taxis, Rural Stage Carriage and Hackney Carriage will be calculated using the formulas below:**

Calculation: Base Rate + (distance travelled in km x rate per km). Each fare once calculated is rounded to the nearest \$5.

The Base Rate and Rate per km for each licence type can be found below:

ROUTE TAXI		RURAL STAGE CARRIAGE		HACKNEY CARRIAGE	
Rates:	Base Rate: \$95 Rate for each additional km (Rate per km): \$5.50	Rates:	Base Rate: \$38 Rate for each additional km (Rate per km): \$5	Rates:	Base Rate: \$270 Rate for each additional km (Rate per km): \$54 Waiting Time per 5mins: \$28 Long term rate to hire per hour: \$862.50
Calculation:	Base Rate + (distance travelled in km x rate per km)	Calculation:	Base Rate + (distance travelled in km x rate per km)	Calculation:	Base Rate + (distance travelled in km x rate per km)
Example:	A passenger is travelling for 15km, the calculation would be: $\$95 + (15 \times \$5.50) = \$177.50$. The fare rounded to the nearest \$5 would be \$180	Example:	A passenger is travelling for 76 km, the calculation would be: $\$38 + (76 \times \$5) = \$418$. The fare rounded to the nearest \$5 would be \$420	Example:	A passenger is travelling for 5 km, the calculation would be: $\$270 + (5 \times \$54) = \$540$. If the Taxi must wait, then \$28 is added to the \$540 for each five minutes.

HACKNEY CARRIAGE

The Transport Authority wishes to advise the public that effective Monday, August 16, 2021 the rates for Hackney Carriages will be increased by 15%. The base rate will move from \$187.50 to \$270 and the rate per kilometer will move from \$37.50 to \$54. The new waiting time charge will be \$28 per five (5) minutes and the new long term rate is \$862.50.

Calculation: Base Rate + (distance travelled in km x rate per km). Each fare once calculated is rounded to the nearest \$5.00.

Example: A passenger is travelling for 5 km, the calculation would be:
 $\$270 + (5 \times \$54) = \$540$. If the Taxi must wait, then \$28 is added to the \$540 for each five minutes.

Below are examples along selected journeys in the KMTR.

NOTICE OF FARE INCREASE – AUGUST 2021

Effective August 16, 2021, Rural Stage Carriage fares will be increased by 15%. The new fares are to be calculated as follows:

Calculation: Base Rate + (distance travelled in km x rate per km). Each fare once calculated is rounded to the nearest \$5.

The Base Rate and Rate per km can be found below:

Rates: Base Rate: \$38

Rate for each additional km (Rate per km):\$5

Example: A passenger is travelling for 76 km, the calculation would be:
\$38 + (76 x \$5) = \$418. The fare rounded to the nearest \$5 would be \$420.

RURAL STAGE FARE TABLE

The table below provides the calculation for fares along Rural Stage Carriage routes. In using the table look for the place you are leaving from on your left and then the place you are going to at the top. Your fare is the point where both places intersect.

STRICT PENALTIES TO BE IMPLEMENTED FOR OVERCHARGING OF FARES. The Transport Authority (TA) is reminding all public passenger vehicle operators that it is illegal to deceive passengers as to the fare for a journey. Accordingly, operators found to be overcharging fares will be prosecuted under regulation 129(d) of the Road Traffic Regulations (1938) and if found guilty of numerous offences, their road licences may be suspended or revoked.

WARNING: The Authority is therefore urging the commuting public to use licensed public transport vehicles which display red Public Passenger Vehicle plates and the light blue Transport Authority sticker on the windshield with expiration dates of 2022 and onwards. The commuting public is reminded that one of the dangers of using unlicensed Public Passenger Vehicles is that these operators often charge exorbitant fares.

REPORTING OF OVERCHARGING. Commuters may report incidents of overcharging through the Authority's toll-free line at 888-991-5687; WhatsApp images or videos to 876-551-8196, providing the licence plate numbers and the routes for the vehicles.

NOTICE OF FARE INCREASE – AUGUST 2021

ROUTE TAXI FARE TABLE

The Transport Authority wishes to advise the public that effective Monday, August 16, 2021, the rates for Route Taxis will be increased by 15% from a base rate of \$82.50 to \$95 and a rate per kilometer from \$4.50 to \$5.50.

How to calculate the fare:

Calculation: Base Rate + (distance travelled in km x rate per km). Each fare once calculated is rounded to the nearest \$5.

The Base Rate and Rate per km can be found below:

Rates: Base Rate: \$95

Rate for each additional km (Rate per km): \$5.50

Calculation: Base Rate + (distance travelled in km x rate per km)

Example: A passenger is travelling for 15km, the calculation would be:

95 + (15 x 5.50) = \$177.50. The fare rounded to the nearest \$5 would be **\$180.**

Below are the fares to be charged along Route Taxi routes island-wide.

STRICT PENALTIES TO BE IMPLEMENTED FOR OVERCHARGING OF FARES. The Transport Authority (TA) is reminding all public passenger vehicle operators that it is illegal to deceive passengers as to the fare for a journey. Accordingly, operators found to be overcharging fares will be prosecuted under regulation 129(d) of the Road Traffic Regulations (1938) and if found guilty of numerous offences, their road licences may be suspended or revoked.

WARNING: The Authority is therefore urging the commuting public to use licensed public transport vehicles which display red Public Passenger Vehicle plates and the light blue Transport Authority sticker on the windshield with expiration dates of 2022 and onwards. The commuting public is reminded that one of the dangers of using unlicensed Public Passenger Vehicles is that these operators often charge exorbitant fares.

REPORTING OF OVERCHARGING. Commuters may report incidents of overcharging through the Authority's toll-free line at 888-991-5687; WhatsApp images or videos to 876-551-8196, providing the licence plate numbers and the routes for the vehicles.

STRICT PENALTIES TO BE IMPLEMENTED FOR OVERCHARGING OF FARES. The Transport Authority (TA) is reminding all public passenger vehicle operators that it is illegal to deceive passengers as to the fare for a journey. Accordingly, operators found to be overcharging fares will be prosecuted under regulation 129(d) of the Road Traffic Regulations (1938) and if found guilty of numerous offences, their road licences may be suspended or revoked.

WARNING: The Authority is therefore urging the commuting public to use licensed public transport vehicles which display red Public Passenger Vehicle plates and the light blue Transport Authority sticker on the windshield with expiration dates of 2022 and onwards. The commuting public is reminded that one of the dangers of using unlicensed Public Passenger Vehicles is that these operators often charge exorbitant fares.

REPORTING OF OVERCHARGING. Commuters may report incidents of overcharging through the Authority's toll-free line at 888-991-5687; WhatsApp images or videos to 876-551-8196, providing the licence plate numbers and the routes for the vehicles.
